# WHS Student Council

This picture consists of the hardworking yet wild student council members. Student council consists of the officers and representatives of the various clubs and organizations of Winslow High School. This year the student council did many things differently. They held the first Winter Sports Festival; they sponsored a child from Appalachia; and they initiated a program of honoring a teacher-of-the-month for each month of the school year.

The 1985-6 student council achieved its purpose of promoting student participation and school spirit.

# Up the Down Staircase

The 1986 all school play cast worked very hard preparing for their production of the Bel Kaufman play, *Up the Down Staircase*. The play, which was a slice of life in a big city school turned out to be a successful effort on the part of the drama department. The drama department's second effort of the year was a joint one with the WHS music department and community theater for a production of the musical comedy, *Li'l Abner*.

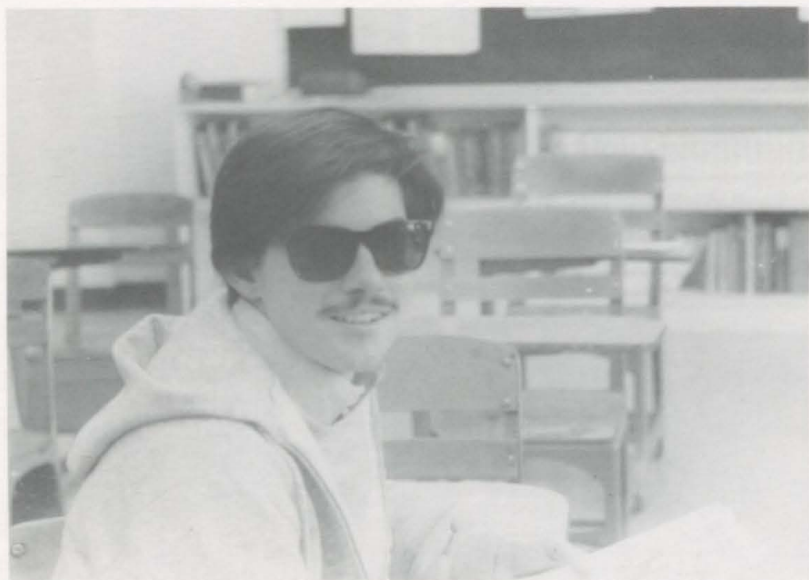

## Speech and Drama very active group

The Speech and Drama officers were president, Jamie Owsley; vice-president/secretary, Glenda Thompson; and sgt. at arms/treasurer, Ian Kerr.

The club was kept very busy by the sponsor, Mr. Hays as they traveled to many tournaments, performing well. For the first time in several years, Winslow hosted its own tournament. The club held fund-raising activities during the year to support the various activities. In all, the Speech and Drama Club had a busy, but fun filled year of hard work.

The 1986 varsity wrestling team was Arizona state champs for the second consecutive year. Even though 1985-86 was expected to be a rebuilding year, much hard work and dedication from all the team members made the divisional and state crowns possible. Team members Mike Garner and Tom Breeze became individual state champs and both were also titlists in the Champion of Champions tournament as well.
